17) The rate of Conveyance allow-

depends on the ^{extent of the} jurisdiction in which
they have to work & the kind of
Conveyance they maintain or have to maintain.
It is seen that there
are as many as 15 sub-oversseers
employed by the Bangalore city M.C.

of the Trust Board the no. of subworkers
is less and then jurisdiction is also made
than that wherein the S.O. is of itself

not necessary to increase the C. of

They will feel very much

It is reported ^{that} they are

my review

for 19/11/47

To

Syed Abdul Aleem, Esq., B.A.,

Secretary to the Government of Mysore

Revenue Department, Bangalore

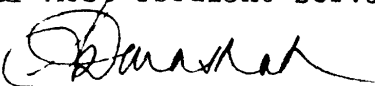

I have the honour to state that on the representation of the Sub-overseers working in this Municipality to the effect that they may be given a conveyance allowance of Rs 15/- P.M. just as in the case of their colleagues working in the Public Works Department and City Improvement Trust Board, the Managing Committee and the Municipal Council at their meetings held on 17-10-1947 and 6-11-1947 respectively have resolved that the Sub-Overseers may be given a conveyance allowance of Rs 15/- P.M. as in the Public Works Department as recommended by the Municipal Engineer. It may be stated in this connection that most of the Sub Overseers working in this Municipality are lent officials from the Public Works Department and they are now getting Rs 7-8-0 along with the other Executive Officials of this Municipality who are purely Municipal employees. It is ascertained officially that the lent Sub-overseers from the Public Works Department to the City Improvement Trust Board, Mysore and Bangalore are given a conveyance allowance of Rs 15/- P.M. In this Municipality only three Sub overseers are given Rs 15/- conveyance allowance per mensem while the rest are getting only Rs 7-8-0. To allay the prevailing discontentment amongst the Sub-overseers and to maintain uniformity of treatment amongst officials coming under one and the same category, I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council.

2 Copies of the aforesaid proceedings together with the

representation of the Sub-overseers in original are enclosed
for your favour of reference

Sir,

We the subordinates of the Municipal Engineering Section most respectfully beg to bring to your kind notice that we were getting a conveyance of Rs 15/- per month when we were working in the P W Department proper, but no sooner we join the City Municipality, our conveyance allowance was reduced to Rs. 7/8- per month. Some of the subordinates who joined the Municipality very recently, are getting their usual conveyance allowance of Rs 15/ per month.

We humbly beg to submit that it is very difficult to maintain our conveyance in these hard days and specially in a costly place like Bangalore City. Subordinates who are working in the City Improvement Trust Board, Water Supply Division and Building Division ^{and Mysore City Municipality} are getting the same conveyance allowance of Rs 15/ per month.

We therefore request that our conveyance allowance also may kindly be recommended to be raised to Rs 15/- per month as in case of others, and the disparity in the same staff may be ^{and full justice to be given to one and all} removed. For which act, we feel highly grateful.
